Erection of Temporary Signage
Terms and Conditions

Applications will be accepted by Limerick City and County Council to erect temporary signage on the County's roads. Approval for temporary signage will be subject to compliance with a number of conditions as follows:

Signs should be erected in accordance with Development Regulations 2001-2011 (Class 9,16,16A, 17 & 18). **of the Planning & Regulations as follows:**

no such advertisement shall exceed 1.2 square metres,

no such advertisement shall be exhibited more than 2.5 metres above ground level,

or be glued, pasted or otherwise affixed to any structure other than an advertisement structure.

no advertisements shall be erected where they can be seen from any motorway or national primary road.

no advertisement shall be erected at a distance greater than 15 kilometres from the location of the event.

Can you also ensure that:

signs are not placed on poles,

signs are not placed on any roundabout or junction and all signage will be kept back by 100 metres from any of these areas,

signs are well erected so that they do not blow onto the public road during high winds,

signs do not interfere with existing directional / warning signs and,

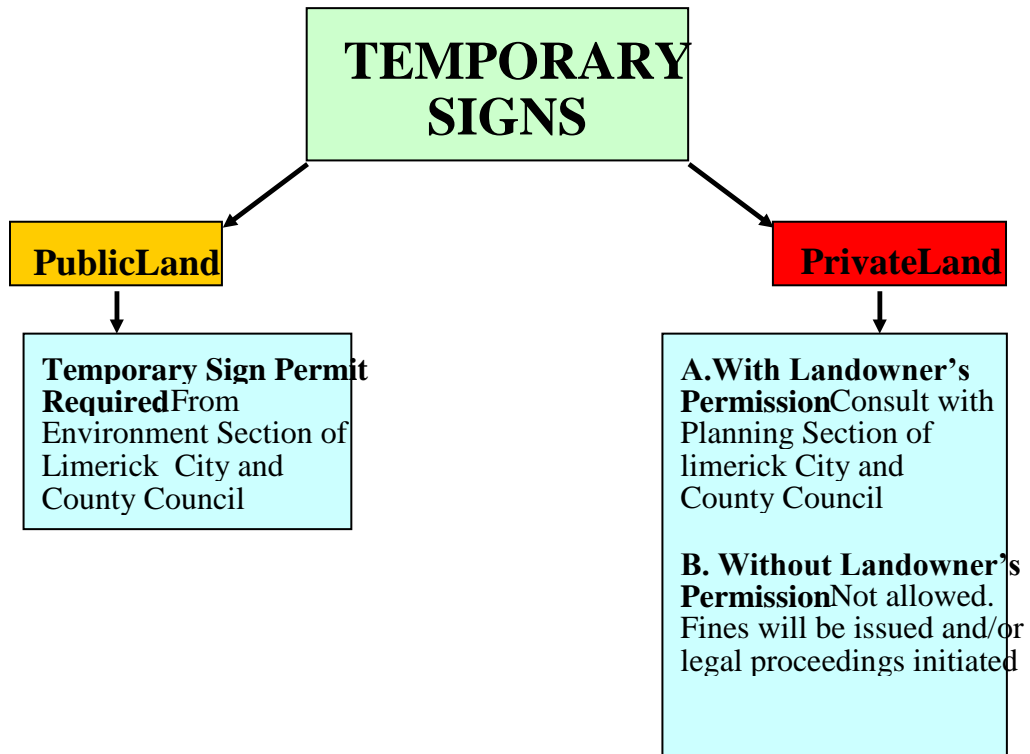

signs do not interfere with existing junctions or obstruct sightlines.

All signs should be removed within 3/4 days of the conclusion of the event.

The Council reserves the right to remove any signage which is considered unsightly, which is larger than the approved sign, and which is in excess of the number of signs approved for erection.

Please Note: Permission is not granted until this form has been signed and dated by an authorised official of Limerick City and County Council.
